

BOARD BULLETIN

September 2021, Vol 8

Welcome Back!

And a special welcome to all families new to our community; we're glad you're here! School is now well underway, and it's such a joy to see our school so very active once again!

Here are a few notes from tonight's Board Meeting:

- **Lion's Pride needs your help!** There will be information forthcoming about the upcoming Halloween Carnival, and to make it the best one yet, all they need is just 30 minutes of your time! There are MANY slots to fill, but if everyone takes just a half-hour slot, they will have that carnival running in no time! The Board so appreciates Lion's Pride for helping to raise funds for things the school needs, extras for our students, and sponsorships and scholarships for programs and field trips. Let's all support THEM, so they can in turn, support our wonderful school. Thanks!
- A special note to our Park County residents -- a mill levy has been approved to be added to the fall ballot. Please keep your ears, eyes, and hearts open for more information about Park County School District Mill Levy Override, 4B. More information can be found at <https://sites.google.com/view/strong-schools-for-re2/home> and <https://www.facebook.com/StrongSchoolsRe2>.
- **HELP WANTED!** Do you know anyone who loves to exercise, play games, and have FUN? Lake George Charter School is looking for a part-time teacher who can teach Physical Education and Technology for K-3 in the afternoons, and a full time maintenance person! We are also accepting bids for a snow removal contract! If you know of anyone, or anyone you know knows anyone, please have them contact Dr. Wade. THANK YOU! More details about positions can be found on the school's website - <https://nsawyer9.wixsite.com/lakegeorge/contact>

We thank you for participating in your child's education in any way possible, and appreciate your interest in what's going on with the Board. Our next meeting may be viewed on Zoom,
