

BOARD BULLETIN

November 17, 2021 Vol 10

This month's board meeting offers the following updates:

- **THANK YOU** Park County residents for helping the Mill levy to pass! This means the *WORLD* to our little school, as we expect to see an increase to our budget of about \$225,000 beginning in 2022. That amount of money will go a very long way, so thank you!
- **Welcome** to our new hire, Lee Mahnke, full-time maintenance/custodial staff!
- **Events:**
 - The Veteran's Day program on November 10th was very well done! It's such an inspiration to see respect for our Veterans being taught in our school, and we thank all of the teachers and students for their hard work in putting together this program, including Dr. Wade.
 - On Tuesday, November 30, everyone is invited to come to the school at 2:45 for an awards ceremony in which students who have attained honor roll status and/or had perfect attendance will be recognized. See you then!
 - Wednesday, December 8 will be a Science Fair; more information to follow.
- **Toy Drive** - A box will be located just inside the school for new, unwrapped toys for the community holiday toy drive. Thanks for your support.

Our next meeting will be Wednesday, January 19, 2022. The work session (topic: budget) will be at 4:30, immediately followed by the meeting at 5:00. Meetings will be held in the art room as allowed per health protocol with Zoom link as a great option:
