

BOARD BULLETIN

March 15, 2022 Vol 13

Welcome to snow season!

Please make sure if there are any virtual snow days that your student completes and returns all work so that the virtual day can be counted. If not enough students turn in the work, the day may need to be made up in the future on Friday, April 22, or Friday, May 6. Be sure they complete all packets and for older students, log on! Thank you!

Here is this month's update on Board happenings:

Welcome to our new staff to LGCS, to include:

- Tyler Snare - Custodian
- Nancy Cox - Kitchen Staff

We congratulate Tonia Montgomery on moving to Full-Time Facility Manager; she will no longer be working in the kitchen.

We wish Felicia Davila well in her future endeavors; she has moved out of the area and needed to resign due to health conditions.
